IUT nancy Charlemagne

Helping you succeed with a different way of learning

Are you looking for a solid education with a professional outlook ?

The teaching staff at IUT Nancy-Charlemagne are committed to helping you succeed in a positive working environment !

When you choose IUT Nancy-Charlemagne, you enter a university course with a professional outlook, consistent with your ambitions and objectives.

As a part of the University of Lorraine, IUT Nancy-Charlemagne offers many courses in the fields of business, computing, information-communication, management and multimedia.

The IUT offers 8 «DUT» (Undergraduate Technological Degrees), 13 «Licences Professionnelles» (Professional Bachelor Degrees) and 2 «DU» (Undergraduate Degrees) leading directly to employment or continuation of studies.

Teaching is provided in small working groups enabling individual support and monitoring of students. Evaluation is through continuous assessment.

Attendance is compulsory at all classes.

Student projects (supervised by teachers) and a 10- to 12-week work placement, in France or abroad, provide the opportunity to discover the professional world.

During classes, you also benefit from the presence of external speakers coming directly from professional environments.

IUT Nancy-Charlemagne also offers work/study training courses (contract of apprenticeship or contract of professionalization).

Other facilities are also at your disposal to accompany you throughout your studies, such as a language lab, media resources centre and a specialised library.

Coming to IUT Nancy-Charlemagne means being part of Nancy's rich student life, through the diverse student societies, as well as the many sporting events offered by the university sports centre (SUAPS) and the French Federation of University Sport (FFSU).

Because students are not the only ones concerned with education, professionals also have the possibility, throughout their career, to prepare a degree through lifelong learning.

Following a course at IUT Nancy-Charlemagne helps you to acquire new knowledge or to change careers.

Since the creation of the IUTs in 1966, two million students have obtained their degrees.
